

POS Tablet

Our POS tablets make payments easier for both you and your guests.

With an integrated cash register and payment system, everything you need is right at your fingertips.

Simple to use

Our POS tablet makes payment processing easy and efficient.

With integrated Softpay, you can accept payments directly on the tablet.

Products can be added to the cash register with just a few taps using our user-friendly POS layout.

Multifunctional

Our media can be used to scan barcodes and for wireless NFC payments.

With our all-in-one POS solution, you can easily manage your sales data via CompuSuite.

Extremely durable

Our media is IP68 rated, meaning it is water-resistant up to 1.5 metres and can withstand dust and sand.

In addition, it is equipped with a rugged hard case that can withstand impacts and shocks.
