

Disposable wristbands

Fabric Wristbands

The wristband is applied and adjusted to the correct size using the locking tab. It is a disposable wristband and will break when removed.

Used by holiday resorts, indoor play centres, for activities, concerts, and more.

Choose your own design

The wristbands are available in any colour and can be customised with your own design.

Choose woven wristbands with the chip sewn into the fabric for a soft, comfortable feel, or opt for a PVC plate with your logo.

Logos can be woven into the band or applied using silk screen or transfer printing.

Material and printing method

Exclusive weaving, transfer printing, silk screen printing, or jacquard weaving.

Choose the option that best suits your design.

Woven

Thermal transfer printing

Silk printing

Jacquard knitting

Locking Options

Choose the lock for your wristband

We offer a wide range of locking types in various colours.

Some locks are designed for single use and ensure that the wristband cannot be reused.

Reusable

One-direction
